

Our Commitment To Privacy

Your privacy is important to us. To better protect your privacy we provide this notice explaining our online information practices and the choices you can make about the way your information is collected and used. To make this notice easy to find, a hyperlink is available on our homepage and other pages on our site.

The Information We Collect:

This notice applies to all information collected or submitted on the Blair Family YMCA Web site. Our site allows you to make purchases, submit information, and sign up to receive items or information. Some of the types of personal information collected are:

Name
Address
Email address
Phone number
Gender
Birthdate
Ethnicity
Credit/Debit card information
(etc.)

On some pages, you can submit information about other people. For example, if you purchase a program for your child, you will need to submit your child's personal data as necessary.

How We Use Information:

We use the information you provide about yourself and others to conduct normal business operations and to update our database comprised of members, program participants, staff, volunteers and others.

From time to time, we share this information (excluding credit/debit card data) with other YMCAs and entities that have products or services consistent with the YMCA mission. Personal information is also provided to state and federal authorities if required, and only if proper credentials and accompanying documentation have been presented by that authority.

We use email addresses provided by YMCA members and program participants for general correspondence and for distributing occasional offers and other relevant YMCA information.

We never use or share the personally identifiable information provided to us online in ways unrelated to the ones described above without also providing you an opportunity to opt-out or otherwise prohibit such unrelated uses.

Our Commitment to Data Security

To prevent unauthorized access, maintain data accuracy, and ensure the correct use of information, we have put in place appropriate physical, electronic, and managerial procedures to safeguard and secure the information we collect online.

How You Can Access or Correct Your Information

You may request updates to your information by contacting the Y. To protect your privacy and security, we will also take reasonable steps to verify your identity before granting access or making corrections.

How to Contact Us
