Blair Family YMCA

PROGRAM OVERVIEW

In YMCA Before and After Child Care children participate in a balanced program of open play and structured activities. Every activity is carefully designed to spark your child's imagination and encourage lifelong positive values. Program components may include but are not limited to recreation, health enhancement, arts and humanities, nutritional snacks, service learning, character development, and homework assistance. YMCA Before and After School staff members ensure that children are given a unique mix of activities that focus on developmental assets, which are the building blocks that teach children how to make positive decisions.

HOURS, DAYS AND MONTHS OF OPERATION

School age programs operate from 6:00 a.m.– 6:00 p.m. Monday through Friday. The program begins in August and ends in May. The program will follow the Blair Community School's calendar and adjust for holidays and early release days based on that calendar.

ARRIVAL PROCEDURES

The Y's responsibility for your child begins when:

- Your child enters the YMCA After School program space and is checked in by Y staff.
- Your child is brought into the YMCA Before School program space and checked in by the parent/guardian.

DEPARTURE AND RELEASE PROCEDURES

Parents must enter the building and sign their children in and out of our program. This ensures child safety and compliance with state licensing. The child will only be released to his/her parent and/or those adults that the parent(s) 18 years or older, specifically designate on the enrollment form. Amendments to the release section of the enrollment form must be submitted in writing by the parent or guardian who completed the form. If a parent is not allowed to pick up a child, the center must have a copy of the court order signed by a judge. Without this documentation, we are obligated to release a child to either parent. The Y will only follow what the court order states.

HEALTH AND SAFETY (ILLNESS AND EXCLUSION CRITERIA)

In order to protect the health of all children in our care, please keep your child at home if you notice that he/she begins to show signs of an illness or contagious disease or if he/she feels too ill to participate in a group care setting. Please let us know as soon as possible if your child has a communicable illness or infection. Children with communicable conditions may not return to care until they are 24 hr. fever free or symptom free.

Weather permitting, children go outside everyday. We cannot keep one child inside due to illness. Children with head lice will not be allowed to attend the before and after school program. The Y will follow the same guidelines as your child's school in relation to head lice.

If your child becomes ill during the program day, we will contact you to pick him/her up. In case of injury, parents will be notified immediately.

MEDICATION POLICY

Regular and ongoing medication can be administered on-site. For emergency medication, please complete a medication form. This form requires you to note the specific dosage your child is to be given. All medications must be accompanied by prescription or written permission from the child's parent and must be in the original container with your child's name and all labels intact.

MEDICAL EMERGENCY

In the case of a medical emergency, we will call 911 and contact the child's parents/ guardians. Responding emergency medical personnel will make any determinations as to if the child should be transported to a hospital. We will provide them with the information from your child's records as to your choice of hospital and physician. In the event that this information is not specified, the child will be transported to the nearest available hospital.

IMMUNIZATIONS

In order to participate in the program, children are required to have been examined within the past year by a licensed physician. Immunization records must be current and on file.

PARENTAL NOTIFICATIONS

Parent notifications may be made in writing via letters, emails, flyers and/or signage at the Welcome Desk. Notifications may also be made by phone calls or directly in person by site staff. Open communication is very important to the success of your child's Y experience. Activity schedules, menus and other pertinent information will be available for you upon asking. Parents are welcome visitors to our program. Please check daily for posted notices, flyers or other information about program activities. We appreciate input regarding program expectations, suggestions, ideas and comments on ways to improve our service to you and your family.

DISCIPLINE AND GUIDANCE PROCEDURES

Self-management skills and positive social interactions among children and adults are encouraged and maximize everyone's enjoyment of the program. The Y programs use positive guidance methods including reminders, distraction, logical consequences and redirection. Self-management skills are taught according to the following guidelines:

- Consistent rules are clearly stated. Children are expected to work and play within known limits.
- Behavior expected of children is age appropriate and according to development level.
- An atmosphere of trust is established in order for children to know that they will not be hurt nor allowed to hurt others.
- Staff members strive to help children become acquainted with themselves and their feelings. This will help them learn to cope with their feelings and control them responsibly.

Child safety is the most important concern of the program; therefore, children whose behavior is dangerous or repeatedly disruptive must be immediately picked up from the program by someone designated through the departure and release procedures. Repeatedly disruptive or dangerous behavior will be discussed with the child's parent and will result in loss of privileges or activities, suspension or termination from the program.

SNACKS (FOOD SERVICE PRACTICES)

An afternoon snack is provided each day. This snack will meet USDA requirements. Monthly snack menus are posted on the parent bulletin board. The menu states the daily snack offering. If you send an additional snack with your child, please ensure that it does not contain any form of peanut products.

CHILD'S BELONGINGS

Children should be dressed for active indoor and outdoor play. A change of clothes is recommended. Items brought to the program must be labeled and we expect children to be responsible for their personal belongings. Cubbies are provided for each child. Please leave personal toys, money, video players, iPods or anything electronic at home. The YMCA is not responsible for lost, damaged or stolen items.

ENROLLMENT PROCEDURES AND NOTIFICATION OF POLICY CHANGES

Enrollment forms can be accessed online under the child care section of the website at www.blairymca.org or at the Welcome Desk. To comply with state licensing laws, all sections of the enrollment forms must be completed entirely before we can accept any child for care. Physician and hospital information are required and it is strongly recommended that you list three emergency contacts. Please note that it may take up to 48 hours for paperwork to be processed. Paperwork must be processed entirely before your child may begin the program. Any policy changes will be provided to participant's parent or guardian in writing.

ACCOUNTING POLICIES AND PROCEDURES

We are now only have an automatic payment option. Payments will be drafted on the Monday after attendance. It is the responsibility of the families enrolled in YMCA Child Care Programs to have funds available on the date of the scheduled draft. The YMCA will draft from one account only. In the event a payment is returned, the Y will automatically redraft and will include a \$15.00 returned payment fee. Three or more returned drafts in a school year may result in termination from the program.

Receipt Request

If you are in need of a childcare payment receipt you may choose from a couple of options.

- 1: **Hand written receipt** when you contact the Welcome Desk.
- 2: **Collective payment receipts** will be provided on a monthly basis. This will provide you with your total amount paid to the YMCA childcare programs.

Financial Assistance

Financial assistance is available for those who qualify. Please see the Welcome Desk to inquire or pick up the forms.

Extra Charges

1. \$35.00 Registration: This fee is non refundable and non transferable. For new registrations only.
2. Late Pick Up: The Before and After program ends at 6:00 PM at which time all children need to be picked up. Any child who is not picked up by this time will be charged \$1.00 per child per minute.
3. Returned Payments:

TRANSPORTATION (IF APPLICABLE)

If your child is attending a Y program that requires transportation, we ask that you speak with your child regarding proper safety guidelines. All children must stay seated with their seat belts fastened while the vehicle is moving and until the vehicle is completely parked. Our primary goal when transporting children is to ensure their safety. The Y reserves the right to suspend or dismiss a student if safety procedures and policies are not followed. The Blair Family YMCA transports to all field trips and YMCA related events. We are unable to transport children for any personal camps, lessons or programs.

BUS RULES AND REGULATIONS

While children are on a bus, they are under the direct supervision of the driver and must obey the driver at all times. The bus driver and/or the Blair YMCA staff has the authority to assign seats to students for safety or disciplinary reasons. Failure to follow the driver's rules will be considered an act of disobedience and will result in disciplinary action.

TRANSPORTATION POLICY

The transportation policies were developed to insure the safety of participants and staff as well as minimize the risk involved with vehicle usage.

Driver /Staff Responsibility

Each vehicle will be safety checked prior to and after being used. Any problems noticed during use must be noted and reported. Driver is to maintain head count consistent with records and is also responsible for ensuring that the passenger count does not exceed the legal limit. Prior to departure the driver/staff will educate the passengers as to the Safety and Transportation Rules. All drivers will be trained in Safe With You program through DHHS.

Passenger Responsibility

All passengers must wear seat belts where fitted and remain seated at all times. For the child's own protection, hands, head and arms must be kept inside the bus at all times. Feet and bags must be kept clear of the aisle. Conversations containing offensive language are not allowed and children should avoid any unnecessary, loud or boisterous talking. Fighting or horse play is not permitted and will not be tolerated. General regulations pertaining to the restrictions on the use of tobacco, knives or other weapons, use of profanity and obscene gestures apply to all children riding the bus. Children are expected to help keep the bus clean, sanitary and orderly. Paper or other debris should not be left on the floor of the bus or thrown at other students. No materials should ever be thrown out of the bus windows or doors.

FIELD TRIPS AND WATER ACTIVITIES

One of the many benefits of the Blair Family YMCA is the chance to explore different places. When we are scheduling field trips all information is reported to parents. Another great part of the YMCA is the children get several opportunities to swim. The YMCA only allows children to swim in water that is supervised by certified and trained lifeguards.

CHILD ABUSE AWARENESS

All Blair YMCA staff members are mandatory child abuse reporters. Suspected cases of child abuse or neglect must be reported to the Department of Human Services. If there is probable cause to believe child abuse has occurred outside of the YMCA and any of its programs, the employed staff person will make a confidential call to proper authorities (sheriff, police department, or child protection) in consultation with the Executive Director. If there is probable cause to believe child abuse has occurred at the YMCA and/or in any of its programs, the procedure outlined in the Employee and Volunteer Policy Statements will be followed.

EMERGENCY PREPAREDNESS PLAN

Staff members are trained in basic emergency procedures. Necessary responses to issues regarding natural disasters (floods, tornados, etc.), hostile situations and fire escape routes are addressed in staff training. Monthly fire drills and periodic tornado drills are conducted at sites. In the event of a gas leak, your child will be relocated and you will be notified immediately to come pick them up. If evacuation is necessary, staff members will first move children to a designated safe area or alternate shelter known to all employees, caregivers and volunteers. Evacuation procedures also address the care of children with limited mobility or who otherwise may need assistance in an emergency, such as children who have mental, visual or hearing impairments. Head counts and roll sheets will be utilized to account for children and be conducted by two or more caregivers. At all times, our emphasis will be on keeping children safe.

INCLEMENT WEATHER POLICY

In case of inclement weather, the Y program will be open for regular hours. If the weather worsens throughout the day, we may ask you to pick your child up as soon as possible so our staff members get home safely.
